Methodist Church in Britain apologises for those hurt or abused in Mother and Baby homes

The Methodist Church in Britain is issuing a formal apology to anyone who has been hurt or abused in any of the Mother and Baby homes that it was responsible for in the past. Read the full apology below.

If you have been affected in any way through experiences related to any Home, and would like to speak with someone, please make contact with the Safeguarding team in the Methodist Church, who work with victims and survivors of abuse. If you wish to remain anonymous this will be respected.

The Methodist Church apology in relation to Mother and Baby Homes and forced adoptions

Part of the mission of the Methodist Church in the 20th century was to work with single mothers who did not have others to support them. The aim of the Church (which no longer runs any homes) was to offer compassion and care. But we are deeply saddened and ashamed that some mothers who lived in these Homes, and some children who started their lives there, have shared with us that they experienced poor or abusive care and were denied control and decision making over their own lives. For decades these institutions operated under our oversight, and many vulnerable individuals, we have been told, were subjected to harsh conditions, neglect and abuse. We deeply regret any pain and trauma which may have been caused by our actions and the systemic failures that allowed such injustice to occur.

We are grateful that women who spent time in some of the Homes have been willing to step forward and share their experiences with us. We hope that this might encourage more women to come forward so we can offer ongoing support.

We recognise the profound impact these experiences have had on survivors and their families and we are committed to supporting the healing process and ensuring that such injustices are never repeated.

To those who were affected, we offer our sincerest apologies.

Southall Hall High School visited Dawley Christian Centre today.

We've had a lovely morning today (10/4/25)... Southall Hall High School, which is a school for children with special educational needs came to join us this morning. They brought with them a generous gift of food for our food bank. They also came to hear the Easter story told by our minister Rev. Nik Wooller, which was told in a very exciting way... using a recipe for Rocky Road chocolate. A good time had by all. We look forward to them coming back to see us in the future 😊

John Fletcher of Madeley Primary School Update from Julie Tomlinson, Methodist School Worker

Since Christmas I have been working in school on Mondays and occasional Fridays and continue my ministry to the SEND hub children through music and song. They all look forward to that as do I, as it is extremely rewarding. The children are non-verbal but respond in different ways to the music. Last Monday we rocked along to 'We have a King who rides a donkey' and 'Our God is a great Big God' which went down well. It's also good to encourage and support the dedicated staff who do so much for the children.

Weekly visits to Reception class have gone well this last term and we have been learning about Jesus and being kind to one another. We thought about Lent and how Jesus faced hard challenges in the desert, but He never gave up.

In the other classes we have made 'Lent Bags' with the children. This has been quite an endeavour. We made 75 bags with yr 3 and 4 in one session! The discussions arising from these sessions have been incredible and the children asked some very interesting and thoughtful questions. The bags are designed to help with prayer and focussing through Lent and the children get to take them home. In each bag certain items are placed to enable private thought and prayer.

The small **STONE** represents the stones Jesus was tempted to turn into bread. We hold the stone in our hand and remember how He said bread was not as important as the Word of God.

The **TEARDROP** is when we feel sad about something or someone and we can look at it and pray about this. God is always listening.

The **ROSE PETAL** helps us remember Mary the mother of Jesus and give thanks for all people who show us love as a mother would.

The **COMPOST** and **SEED** : As we plant the seed, we ask that God would grow the seed of Faith in our own hearts.

The **WOODEN CROSS** : As we hold the cross, we thank Jesus for dying for us and rising again and giving us a way to God.

Each child is given a paper bag to decorate, and we had some beautiful designs. I would ask you to pray that God speaks to these children in their quiet moments at home.

On Friday 4th April the Prayer Garden was dedicated (Jo Kudlacik was able to attend) and we had an Easter service at St Michaels.

STAY n PRAY continues and is now a regular event on Monday lunchtimes as are the Bible meditations at Breaktimes. There is a good number of children attending and we are following the church year. Learning what it is to be a disciple has been our theme. Each week we make our crafts, chat, and sing and sometimes pray. The opportunity for prayer is always offered. I (or Mrs S my helper) usually read from the Bible as the children are colouring or crafting. The Yr 6 group of children (5) have grown in faith and commitment and are now thinking about moving on to their respective secondary schools. They would all love me to go with them!! so my prayer is that there is a Christian presence for these children who so appreciate an oasis in their week. Wouldn't it be wonderful to have a Christian support worker in every school!!

Health wise, my leg continues to play up and it can be too painful to drive. These polymyalgia flare ups are annoying! Please remember me and all the children and staff at J F in your prayers. Its such a privilege to share Gods love with them. Thank you for your interest and Happy Easter to all!

God Bless

Julie

Eco News from the Telford Circuit

How can we show our care for God's earth and loving our global neighbours through our worship, teaching, prayers and spiritual life this Palm Sunday? Here are some ideas...

See, your king comes to you, righteous and victorious, lowly and riding on a donkey, on a colt, the foal of a donkey. Zechariah 9:9

- Consider how many different ways animals serve humans beings. Thank God for their creation and pray for their welfare.
- Can we reduce our carbon footprint at church by lift sharing for those who need to travel by car on a Sunday?

They took palm branches and went out to meet him, shouting, "Hosanna!" John 12:13

- Deforestation affects ecosystems and also contributes to global warming. Thank God for the beautiful diversity of trees and pray for their protection.
- The National Trust invite you to donate to plant a tree and help them plant and establish 20 million trees by 2030. Could you help?

Some of the Pharisees in the crowd said to Jesus, "Teacher, rebuke your disciples!" "I tell you," he replied, "if they keep quiet, the stones will cry out." Luke 19: 39-40

- "All the earth worships you and sings praises to you; they sing praises to your name." (Psalm 66:4) Remind yourselves as you sing praises to God that you are joining your voices to the song of all creation, since the very beginning of time.

But they kept shouting, "Crucify him! Crucify him!" Luke 23:21

- With discomfort that we remember the fickleness of the crowd who shout 'Hosanna' one moment and then turn against Jesus the next. We recognise our own failings in theirs; our own need for a change of heart, for a transformed attitude, for a moment of self-awareness, repentance and a decision to lead a life of reconciliation. We desire a healthy planet whilst struggling to commit to the necessary changes in lifestyle.

**Lord, when we have taken your creation for granted;
When we have abused its resources and polluted its purity;
When we have not fulfilled our calling to steward your earth;
Forgive us, gracious Father.**

**May we work with you in the renewal of creation;
May we speak and act for the good of your planet.
May we value and share the good gifts you provide;
Empower us. Inspire us. Encourage us, Father of creation. Amen.**

Dear All,

Cartway Church is holding a soup lunch on the following dates: **Friday April 25th and Friday May 30th** from 12.00 - 2.00pm.

There is no charge but we will be grateful for donations which will go to support a Ghanaian Community Health Project.

Everyone is welcome and we look forward to seeing you at any of the times.

The soup will be served upstairs, in the church.

Blessings to all,

Ruth

God of justice,
open our ears to hear as you do,
open our hearts to care as you do,
open our lips to speak as you do,
that we may offer our voices
for those who are silenced,
whatever their language, land or lot,
and so may your will be done,
on earth as in heaven. Amen.

What role does music play in your journey of discipleship? Music has a significant impact for many of us, and through this week's theme of Soul Songs, we're exploring all the ways our souls are nourished by musical expression.

Your Soul Food journey continues with today's Bible Study video, hosted by Tim Baker – a local preacher in the Aire and Calder Circuit.

Tim and friends Emma and Kerry are looking at **Luke 19:28-40** and thinking about the theme of Soul Songs. You might like to read this passage before you watch the conversation below.

Please click on the link below:

[Bible Study - Week 6: Luke 19:28-40 | Soul Food](#)

As we approach Palm Sunday, we pray that God, the bringer of peace, and worker of mighty deeds, may bring out songs of praise from your soul today. Amen.

Every blessing,
The Soul Food team.

We are excited to share our theme for Lent 2025, 'Soul Food'

In the wilderness, Jesus reminded us that people don't live by bread alone. Each week during Lent 2025, we'll reflect on what sustains us, based on the lectionary Gospel passage for Sunday.

[Lent 2025: Soul Food - The Methodist Church](#)

Gracious Father,
you gave up your Son
out of love for the world:
lead us to ponder the
mysteries of his passion,
that we may know eternal
peace
through the shedding of
our Saviour's blood,
Jesus Christ our Lord.
Amen.

The Fifth Sunday of Lent

Lord Jesus, who went about doing good and healing all, we ask you to bless our friends who are sick. Give them the strength in body, courage in spirit, and patience in pain. Let them recover their health, so that, restored to the Christian community, they may joyfully praise Your name, for You live and reign for ever and ever. Amen.
